

Welcome

Counselling services for refugee and migrant families

These intercultural services

- take place at the district offices and are the contact point and counselling centre for refugee and migrant families in Cologne
- give you counselling and guidance that will be useful to you and your family as you integrate into the urban district.

We shall show you ways of finding the right services. The counselling sessions are free of

Our topics for counselling

- Nursery and primary school
- Services for children and families
- Language support
- Sports and leisure activities
- Public services like child subsidy, parental benefits, social benefits, etc.
- Family problems
